Detailed Fiscal Analysis

Under current law, members of the Legislative Service Commission (LSC) serve on LSC during their term as a Senate or House member and until their successors are appointed and qualified, notwithstanding the adjournment of the General Assembly of which they are members or the expiration of their terms as General Assembly members. The bill eliminates this requirement and, instead, requires that LSC members serve only so long as they are members of the General Assembly. The bill has no direct fiscal effect on the state or political subdivisions.
