Tom Wert, Budget Analyst

The bill has no direct fiscal effect on the state or political subdivisions. It prohibits the appropriation of real property or any estate, right, or interest therein for the purpose of providing a public recreational trail used for hiking, bicycling, horseback riding, ski touring, canoeing, or other nonmotorized form of recreational travel. Indirectly, the bill's prohibition may require a public entity intending to construct a recreational trail to alter its planned route. Depending on the circumstances, such changes may or may not affect the costs of building the trail. The bill includes an emergency clause and would thus have immediate effect.
