The Ohio Department of Transportation (ODOT) will incur about \$350 to \$400 in costs for producing and installing memorial signs for this memorial roadway. Specifically, the bill designates the portion of State Route 37 in which there is an overpass of State Route 15 within Hancock County as the Patrolman David L. Sterner Memorial Overpass.

If a memorial marker is to be located on a road outside of municipal boundaries, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
