The Ohio Department of Transportation (ODOT) will incur approximately \$850 in costs for producing and installing signs for this memorial highway. Specifically, the bill designates the eastbound and westbound lanes of I-90 between in Cuyahoga County as the "Officer David Fahey Jr Cleveland Police First District Memorial Highway."

If a memorial marker is to be located on an interstate route, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
