Version: As Introduced

Primary Sponsor: Rep. Patton

Local Impact Statement Procedure Required: No

Jared Cape, Budget Analyst

The Ohio Department of Transportation (ODOT) will incur about \$850 in costs for producing and installing signs for this memorial highway. Specifically, the bill designates the eastbound and westbound lanes of I-90 between East 72nd Street and East 105th Street within Cuyahoga County in the city of Cleveland as the Cleveland Firefighter Johnny Tetrack Memorial Highway.

If a memorial marker is to be located on an interstate route, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
