ACT SUMMARY

- Designates 28 new memorial highways, one new bridge, and one new picnic area.
- Creates 21 new nonstandard license plates and amends two continuing nonstandard license plates.

CONTENT AND OPERATION

Designations

The act designates the following highways, a bridge, and a picnic area. It authorizes the Director of Transportation to erect suitable markers along the highways and bridges, and requires the Chief of the Division of Parks and Watercraft to erect suitable markers in the picnic area.

Designated Name	Highway/Bridge/Picnic area	Biographical Information
"Henry T. Beatty Memorial Picnic Area" ¹	The picnic area located northwest of the intersection of Titus Road and Division Street in Kelleys Island State Park.	Henry T. Beatty was a lifelong resident and prominent citizen of the Village of Kelleys Island, serving as a successful commercial fisherman, a park ranger, the fire chief, and the mayor at various points in his life.
"Lt Col Thomas P. Belkofer Memorial Highway" ²	The eastbound and westbound lanes of State Route (SR) 795, between the intersection of that route with Simmons Road and the intersection of that route and Tracy Road, in Wood County.	Lt. Col. Thomas P. Belkofer was killed in a suicide bomb attack in Kabul, Afghanistan on May 18, 2010, while serving in Operation Enduring Freedom.
"Poland Township Police Officer Charles K. Yates Memorial Highway" ³	The eastbound and westbound lanes of U.S. Route (USR) 224, between the intersection of USR 224 and Diana Drive and the Pennsylvania border, in Mahoning County.	Poland Township Police Officer Charles K. Yates suffered a fatal heart attack following repeated struggles with a combative female suspect he had arrested for drunk driving.

Nonstandard license plates

The act creates 21 new nonstandard license plates. For 19 of the new license plates, which are available to the general public, the act requires a person to pay an annual contribution of varying amounts when the license plate is issued or renewed. Contributions must be deposited into the License Plate Contribution Fund. (Contributions for the "Post-Traumatic Stress" license plate must be deposited in the Post-Traumatic Stress License Plate Contribution Fund.) A person also must pay an additional annual \$10 Bureau of Motor Vehicles (BMV) fee. The additional fee must be deposited into the Public Safety – Highway Purposes Fund and used by BMV for its additional services in issuing the nonstandard plates. For the "Line of Duty Sacrifice" and "Ohio National Guard Ohio Cross" license plates, which are not available to the general public, no contribution or BMV fee is required. All other registration requirements apply to the issuance of all 21 of the new plates.

Generally, the new license plates may be issued for passenger cars, noncommercial motor vehicles, recreational vehicles, and any other vehicle of a class approved by the Registrar of Motor Vehicles. However, the "Kenston Local Schools" license plate and the "Cuyahoga Valley Career Center" license plate also may be issued for motorcycles, cab-enclosed motorcycles, and any motor-driven cycle or motor scooter. The new license plates are set forth in the following chart, which includes a description of each license plate:
