Sec. 4505.06. (A)(1) Application for a certificate of title shall be made in a form prescribed by the registrar of motor vehicles and shall be sworn to before a notary public or other officer empowered to administer oaths. (6) If an application for a certificate of title is not filed within the period specified in division (A)(5)(b), (c), or (d) of this section, the clerk shall collect a fee of five dollars for the issuance of the certificate, except that no such fee shall be required from a motor vehicle salvage dealer, as defined in division (A) of section 4738.01 of the Revised Code, who immediately surrenders the certificate of title for cancellation. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner showing payment of the tax or a receipt issued by the commissioner showing the payment of the tax. When submitting payment of the tax to the clerk, a dealer shall retain any discount to which the dealer is entitled under section 5739.12 of the Revised Code.

(2) For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent, and the clerk shall pay the poundage fee into the certificate of title administration fund created by section 325.33 of the Revised Code. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

If, on any Friday, the offices of the clerk of courts or the state are not open for business, the tax shall be forwarded to the treasurer of state on or before the next day on which the offices are open. Every remittance of tax under division (B)(4) of this section shall be accompanied by a remittance report in such form as the tax commissioner prescribes. Upon receipt of a tax remittance and remittance report, the treasurer of state shall date stamp the report and forward it to the tax commissioner. If the tax due for any week is not remitted by a clerk of courts as required under division (B)(4) of this section, the commissioner may require the clerk to forfeit the poundage fees for the sales made during that week. The treasurer of state may require the clerks of courts to transmit tax collections and remittance reports electronically.

(5) A new or used motor vehicle dealer licensed in this state, in lieu of remitting the tax levied by or pursuant to Chapters 5739. and 5741. of the Revised Code to the clerk under this section, may elect to submit to the clerk a certificate acknowledging the sale or lease of the motor vehicle, stating the purchaser's county of residence, and pledging that the dealer will report and remit the tax due as required by section 5739.12 or 5741.12 of the Revised Code, whichever is applicable. For each dealer that makes an election under this section, the tax commissioner shall deposit into the certificate of title administration fund created under section 325.33 of the Revised Code an amount equal to the poundage fees that the clerk would be entitled to retain if the dealer had remitted the tax due to the clerk under division (A)(5)(a) of this section. The registrar, in consultation with the commissioner and the clerks of courts of common pleas, shall develop a report from the automated title processing system that informs each clerk and the commissioner of the amount of the poundage fees that each clerk is permitted to receive from taxes collected by the commissioner because of the certificates of title issued by the clerks. A motor vehicle dealer that does not report and remit the tax due pursuant to an election under division (B)(5) of this section shall pay the tax to the clerk of courts as provided in division (A)(5)(a) of this section.

The registrar shall prescribe an affidavit in which the transferor shall swear to the true selling price and, except as provided in this division, the true odometer reading of the motor vehicle. The registrar may prescribe an affidavit in which the seller and buyer provide information pertaining to the odometer reading of the motor vehicle in addition to that required by this section, as such information may be required by the United States secretary of transportation by rule prescribed under authority of subchapter IV of the "Motor Vehicle Information and Cost Savings Act," 86 Stat. 961 (1972), 15 U.S.C. 1981.

(2) Division (C)(1) of this section does not require the giving of information concerning the odometer and odometer reading of a motor vehicle when ownership of a motor vehicle is being transferred as a result of a bequest, under the laws of intestate succession, to a survivor pursuant to section 2106.18, 2131.12, or 4505.10 of the Revised Code, to a transfer-on-death beneficiary or beneficiaries pursuant to section 2131.13 of the Revised Code, in connection with the creation of a security interest or for a vehicle with a gross vehicle weight rating of more than sixteen thousand pounds.

(D) When the transfer to the applicant was made in some other state or in interstate commerce, the clerk, except as provided in this section, shall refuse to issue any certificate of title unless the tax imposed by or pursuant to Chapter 5741. of the Revised Code based on the purchaser's county of residence has been paid as evidenced by a receipt issued by the tax commissioner, or unless the applicant submits with the application payment of the tax. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner, showing payment of the tax.

For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The clerk also may accept payment of the tax by corporate, business, or personal check, credit card, electronic transfer or wire transfer, debit card, or any other accepted form of payment made payable to the clerk. The clerk may require bonds, guarantees, or letters of credit to ensure the collection of corporate, business, or personal checks. Any service fee charged by a third party to a clerk for the use of any form of payment may be paid by the clerk from the certificate of title administration fund created in section 325.33 of the Revised Code, or may be assessed by the clerk upon the applicant as an additional fee. Upon collection, the additional fees shall be paid by the clerk into that certificate of title administration fund.

The clerk shall make a good faith effort to collect any payment of taxes due but not made because the payment was returned or dishonored, but the clerk is not personally liable for the payment of uncollected taxes or uncollected fees. The clerk shall notify the tax commissioner of any such payment of taxes that is due but not made and shall furnish the information to the commissioner that the commissioner requires. The clerk shall deduct the amount of taxes due but not paid from the clerk's periodic remittance of tax payments, in accordance with procedures agreed upon by the tax commissioner. The commissioner may collect taxes due by assessment in the manner provided in section 5739.13 of the Revised Code.

Any person who presents payment that is returned or dishonored for any reason is liable to the clerk for payment of a penalty over and above the amount of the taxes due. The clerk shall determine the amount of the penalty, and the penalty shall be no greater than that amount necessary to compensate the clerk for banking charges, legal fees, or other expenses incurred by the clerk in collecting the returned or dishonored payment. The remedies and procedures provided in this section are in addition to any other available civil or criminal remedies. (4) A trust that meets the requirements of division (G)(1) of this section shall not be counted as a resource available to the applicant or recipient if at least one of the following circumstances applies:

(a) If a trust contains a clear statement requiring the trustee to preserve a portion of the trust for another beneficiary or remainderman, that portion of the trust shall not be counted as a resource available to the applicant or recipient. Terms of a trust that grant discretion to preserve a portion of the trust shall not qualify as a clear statement requiring the trustee to preserve a portion of the trust.

(b) If a trust contains a clear statement requiring the trustee to use a portion of the trust for a purpose other than medical care, care, comfort, maintenance, welfare, or general well being of the applicant or recipient, that portion of the trust shall not be counted as a resource available to the applicant or recipient. (f) If a trust is specifically exempt from being counted as a resource available to the applicant or recipient by a provision of the Revised Code, rules, or federal law, the trust shall not be counted as such.

(h) If an applicant or recipient presents a final judgment from a court demonstrating that in a civil action against the trustee the applicant or recipient was only able to compel limited or periodic payments, the trust shall not be counted as a resource available to the applicant or recipient and payments shall be treated in accordance with rules adopted under section 5163.02 of the Revised Code governing income.

(i) If an applicant or recipient provides written documentation showing that the cost of a civil action brought to compel payments from the trust would be cost prohibitive, the trust shall not be counted as a resource available to the applicant or recipient.

(5) Any actual payments to the applicant or recipient from a trust that meet the requirements of division (G)(1) of this section, including trusts that are not counted as a resource available to the applicant or recipient, shall be treated as provided in rules adopted under section 5163.02 of the Revised Code governing income. The department shall redetermine a peer group's cost per case-mix unit only if it made an error in determining the peer group's cost per case-mix unit based on information available to the department at the time of the original determination.

The department may use the assigned cost per case-mix unit, instead of determining the nursing facility's actual cost per case-mix unit in accordance with section 5165.19 of the Revised Code, to establish the nursing facility's rate for direct care costs for the fiscal year immediately following the calendar year for which the cost per case-mix unit is assigned.

(4) The department shall take action under division (B)(1), (2), or (3) of this section only in accordance with rules authorized by this section. (2) Notwithstanding any other provision of this chapter, the rules may provide for the exclusion of case-mix scores assigned to a nursing facility under division (B) of this section from the determination of the nursing facility's semiannual or annual average case-mix score and the cost per case-mix unit for the nursing facility's peer group.

(B)(1) "Total resources" used to compute payments to be made under division (C) of this section shall be reduced to the extent that payments distributed in calendar year 2014 were attributable to levies no longer charged and payable.

(2) In the case of a qualifying local taxing unit for which the ratio of current expense allocation to total resources is ten per cent or more, the payment to be made under division (C) of this section for fiscal year 2016 and each year thereafter, in lieu of the payment computed under division (C)(1)(a) of this section, shall equal the amount described in division (A)(16)(a) of this section if the qualifying local taxing unit is a township, division (A)(18)(a) if the qualifying local taxing unit is a public library, and division (A)(17)(a) if the qualifying local taxing unit is not a township or public library.

(3) For any local taxing unit or public library with operating fixed-rate levy losses greater than zero, the operating fixed-rate levy loss shall be allocated among all qualifying operating fixed-rate levies in proportion to each such levy's share of the payments received in tax year 2014. The payment shall be computed regardless of whether the qualifying municipal corporation qualifies for a payment under any other division of this section for the fiscal year in which the payment is computed under this division. For the purposes of this division, the commissioner may require an electric distribution company distributing qualifying kilowatt hours or, if the end user is a self-assessing purchaser, the end user, to report to the commissioner the number of qualifying kilowatt hours distributed through the meter of the qualifying end user.

(F)(1) The payments required to be made under divisions (C) and (D) of this section shall be paid from local government tangible property tax replacement fund to the county undivided income tax fund in the proper county treasury. Beginning in August 2015, one-half of the amount determined under each of those divisions shall be paid on or before the last day of August each year, and one-half shall be paid on or before the last day of February each year. Within thirty days after receipt of such payments, the county treasurer shall distribute amounts determined under this section to the proper local taxing unit or public library as if they had been levied and collected as taxes, and the local taxing unit or public library shall allocate the amounts so received among its funds in the same proportions as if those amounts had been levied and collected as taxes.

Sec. 5709.94. (A) As used in this section:

(1) "School district," "joint vocational school district," "local taxing unit," "fixed-rate levy," and "fixed-sum levy" have the same meanings as in section 5727.84 of the Revised Code.

(2) "Electric company," "energy company," and "energy conversion equipment" have the same meanings as in section 5727.01 of the Revised Code.

(3) "Taxing unit" includes school districts, joint vocational school districts, and local taxing units.

(B) On or before the last day of December of each year, the tax commissioner shall determine both of the following for each taxing unit:

(1) The taxing unit's production equipment tax value loss, which shall equal the value of all tangible personal property of an electric company or energy company that is not transmission or distribution property or energy conversion equipment, as it would have been assessed by the tax commissioner and apportioned to the taxing unit for that tax year if the property were taxable property and the assessment rate applicable to such property were twenty-four per cent.

(2) The taxing unit's nonproduction equipment tax value gain, which shall equal the value of all transmission and distribution property and energy conversion equipment of an electric company or energy company apportioned to the taxing unit for the tax year multiplied by a percentage equal to the difference between eighty-five per cent and the percentage determined under division (B)(3) of section 5727.09 of the Revised Code.

(C) On or after the first day of January each year beginning in 2017, the tax commissioner shall determine the sum of the following:

(1) The fixed-rate levy loss for each taxing unit, which equals the total of the rates of fixed-rate levies imposed by the taxing unit for the preceding tax year multiplied by the production equipment tax value loss determined under division (B) of this section;

(2) The fixed-sum levy loss for each taxing unit, which equals the total of the rates of fixed-sum levies imposed by the taxing unit for the preceding tax year multiplied by the production equipment tax value loss determined under division (B) of this section.

(D) On or after the first day of January each year beginning in 2017, the tax commissioner shall determine the sum of the following:

(1) The fixed-rate levy gain for each taxing unit, which equals the total of the rates of fixed-rate levies imposed by the taxing unit for the preceding tax year multiplied by the nonproduction equipment tax value gain determined under division (B)(2) of this section;

(2) The fixed-sum levy gain for each taxing unit, which equals the total of the rates of fixed-sum levies imposed by the taxing unit for the preceding tax year multiplied by the nonproduction equipment tax value gain determined under division (B)(2) of this section.

(E) On or before the twenty-eighth day of February and the thirty-first day of August of each year, beginning in 2017, the tax commissioner shall determine, for each taxing unit, whether the amount determined under division (C) exceeds the amount determined under division (D) of this section. If the amount determined under division (C) exceeds the amount determined under division (D) of this section for a taxing unit, the commissioner shall make payments to the taxing unit from the production equipment property tax replacement fund. The amount of each payment shall equal one-half of the amount by which the amount determined under division (C) exceeds the amount determined under division (D) of this section.

(F) The payments required to be made under divisions (D) and (E) of this section shall be paid from the production equipment property tax replacement fund to the county undivided income tax fund in the proper county treasury. Within thirty days after receipt of such payments, the county treasurer shall distribute amounts determined under this section to the proper taxing unit as if they had been levied and collected as taxes, and the taxing unit shall allocate the amounts so received among its funds in the same proportions as if those amounts had been levied and collected as taxes.

(G) For each taxing unit for which the fixed-sum levy gain as determined under division (D)(2) exceeds its fixed-sum levy loss as determined under division (C)(2) of this section, the commissioner shall certify to the county auditor of the proper county the net fixed-sum levy gain, which equals the amount by which the fixed-sum levy gain exceeds the fixed-sum levy loss for the purposes of section 5705.34 of the Revised Code.

(H)(1) On the first day of June of each year, beginning in 2018, the director of budget and management shall transfer any balance remaining in the production equipment property tax replacement fund after the payments have been made under this section to the general revenue fund.

(b) The tracts, lots, or parcels of land were devoted exclusively to biodiesel production, biomass energy production, electric or heat energy production, or biologically derived methane gas production if the land on which the production facility is located is contiguous to or part of a parcel of land under common ownership that is otherwise devoted exclusively to agricultural use, provided that at least fifty per cent of the feedstock used in the production was derived from parcels of land under common ownership or leasehold.

(c) The tracts, lots, or parcels of land were devoted to and qualified for payments or other compensation under a land retirement or conservation program under an agreement with an agency of the federal government.

Sec. 5715.01. (A) The tax commissioner shall direct and supervise the assessment for taxation of all real property. The commissioner shall adopt, prescribe, and promulgate rules for the determination of true value and taxable value of real property by uniform rule for such values and for the determination of the current agricultural use value of land devoted exclusively to agricultural use. The uniform rules shall prescribe methods of determining the true value and taxable value of real property and shall also prescribe the method for determining the current agricultural use value of land devoted exclusively to agricultural use, which method shall reflect standard and modern appraisal techniques that take into consideration: the productivity of the soil under normal management practices; the average price patterns of the crops and products produced to determine the income potential to be capitalized; the market value of the land for agricultural use; and other pertinent factors. The rules shall provide that in determining the true value of lands or improvements thereon for tax purposes, all facts and circumstances relating to the value of the property, its availability for the purposes for which it is constructed or being used, its obsolete character, if any, the income capacity of the property, if any, and any other factor that tends to prove its true value shall be used. In determining the true value of minerals or rights to minerals for the purpose of real property taxation, the tax commissioner shall not include in the value of the minerals or rights to minerals the value of any tangible personal property used in the recovery of those minerals.

(B) The taxable value shall be that per cent of true value in money, or current agricultural use value in the case of land valued in accordance with section 5713.31 of the Revised Code, the commissioner by rule establishes, but it shall not exceed thirty-five per cent. The uniform rules shall also

If methods and definitions are not explicitly set forth by rule, appraisals of real estate shall be made in accordance with the methods and definitions prescribed by the fourteenth edition of the appraisal of real estate and the fifth edition of the dictionary of real estate appraisal published by the appraisal institute. The rules established by the commissioner under this section shall be applied uniformly to all parcels. The taxable value of each tract, lot, or parcel of real property and improvements thereon, determined in accordance with the uniform rules and methods prescribed thereby, shall be the taxable value of the tract, lot, or parcel for all purposes of sections 5713.01 to 5713.26, 5715.01 to 5715.51, and 5717.01 to 5717.06 of the Revised Code. County auditors shall, under the direction and supervision of the commissioner, be the chief assessing officers of their respective counties, and shall list and value the real property within their respective counties for taxation in accordance with this section and sections 5713.03 and 5713.31 of the Revised Code and with such rules of the commissioner. There shall also be a board in each county, known as the county board of revision, which shall hear complaints and revise assessments of real property for taxation.

(C) The commissioner shall neither adopt nor enforce any rule that requires true value for any tax year to be any value other than the true value in money on the tax lien date of such tax year or that requires taxable value to be obtained in any way other than by reducing the true value, or in the case of land valued in accordance with section 5713.31 of the Revised Code, its current agricultural use value, by a specified, uniform percentage.

Sec. 5715.39. (A) The tax commissioner may remit real property taxes, manufactured home taxes, penalties, and interest found by the commissioner to have been illegally assessed. The commissioner also may remit any penalty charged against any real property or manufactured or mobile home that was the subject of an application for exemption from taxation under section 5715.27 of the Revised Code if the commissioner determines that the applicant requested such exemption in good faith. The commissioner shall include notice of the remission in the commissioner's certification to the county auditor required under that section.

The amount to be recovered shall be determined by the director pursuant to rules adopted under section 5725.33 of the Revised Code. The director shall certify any amount due under this division to the tax commissioner, and the commissioner shall notify the taxpayer of the amount due. The amount due is payable not later than thirty days after the day the commissioner issues the notice. The amount due shall be considered to be tax due under section 5726.02 of the Revised Code, and may be collected by assessment without regard to the limitations imposed under section 5726.20 of the Revised Code for the assessment of taxes by the commissioner. All amounts collected under this division shall be credited as revenue from the tax levied under section 5726.02 of the Revised Code.

All time limits and other procedural requirements of this chapter for the reporting and assessment of property of electric companies apply to persons required to file a report under this section. (D) Property that is required by division (A)(3)(b) of this section to be assessed by the tax commissioner under this chapter shall not be listed by the owner of the property under Chapter 5711. of the Revised Code.

(E) The ten-thousand-dollar exemption provided for in division (C)(3) of section 5709.01 of the Revised Code does not apply to any personal property that is valued under this chapter.

Sec. 5727.09. (2) The sum of the amounts determined under division (B)(1) of this section for all taxing units;

(3) The percentage that, if multiplied by the true value of all taxable property of every electric company and energy company for the tax year, would produce the amount determined under division (B)(2) of this section.

Sec. 5727.11. (A) Except as otherwise provided in this section, the true value of all taxable property, except property of a railroad company, required by section 5727.06 of the Revised Code to be assessed by the tax commissioner shall be determined by a method of valuation using cost as capitalized on the public utility's books and records less composite annual allowances as prescribed by the commissioner. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. (F) A person may separately or proportionately bill or invoice a tax levied pursuant to division (B) or (C) of this section to another person.

Sec. 5739.102. A person who is liable for a tax levied under section 5739.101 of the Revised Code shall file a return with the tax commissioner showing the person's taxable gross receipts from sales described under division (B)(1) or (2) or (C) of that section. The tax commissioner shall prescribe the form of the return, and the six- or twelve-month reporting period. The person shall file the return on or before the last day of the month following the end of the reporting period prescribed by the commissioner, and shall include with the return payment of the tax for the period. The remittance shall be made payable to the treasurer of state.

Upon receipt of a return, the tax commissioner shall credit any money included with it to the resort area excise tax fund, which is hereby created. The additional charge shall be considered revenue arising from the tax levied under section 5739.101 of the Revised Code, and may be collected by assessment in the manner provided in section 5739.13 of the Revised Code. The tax commissioner may remit all or a portion of the charge.

Sec. 5739.103. No person shall exercise the privilege of engaging in a business described under division (B)(1) or (2) or (C) of section 5739.101 of the Revised Code in a municipal corporation or township that has imposed a tax under division (B) or (C) of that section without first registering with the tax commissioner. If any vendor fails to collect the tax or any consumer fails to pay the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code, on any transaction subject to the tax, the vendor or consumer shall be personally liable for the amount of the tax applicable to the transaction. The commissioner may make an assessment against either the vendor or consumer, as the facts may require, based upon any information in the commissioner's possession.

An assessment against a vendor when the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code has not been collected or paid, shall not discharge the purchaser's or consumer's liability to reimburse the vendor for the tax applicable to such transaction.

An assessment issued against either, pursuant to this section, shall not be considered an election of remedies, nor a bar to an assessment against the other for the tax applicable to the same transaction, provided that no assessment shall be issued against any person for the tax due on a particular transaction if the tax on that transaction actually has been paid by another.

The commissioner may make an assessment against any vendor who fails to file a return or remit the proper amount of tax required by this chapter, or against any consumer who fails to pay the proper amount of tax required by this chapter. When information in the possession of the commissioner indicates that the amount required to be collected or paid under this chapter is greater than the amount remitted by the vendor or paid by the consumer, the commissioner may audit a sample of the vendor's sales or the consumer's purchases for a representative period, to ascertain the per cent of exempt or taxable transactions or the effective tax rate and may issue an assessment based on the audit. The commissioner shall make a good faith effort to reach agreement with the vendor or consumer in selecting a representative sample.

The commissioner may make an assessment, based on any information in the commissioner's possession, against any person who fails to file a return or remit the proper amount of tax required by section 5739.102 of the Revised Code.

The commissioner may issue an assessment on any transaction for which any tax imposed under this chapter or Chapter 5741. of the Revised Code was due and unpaid on the date the vendor or consumer was informed by an agent of the tax commissioner of an investigation or audit. If the

vendor or consumer remits any payment of the tax for the period covered by the assessment after the vendor or consumer was informed of the investigation or audit, the payment shall be credited against the amount of the assessment.

The commissioner shall give the party assessed written notice of the assessment in the manner provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the party assessed files with the commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment, signed by the party assessed or that party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due from the party assessed and payable to the treasurer of state and remitted to the tax commissioner. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the place of business of the party assessed is located or the county in which the party assessed resides. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county. JRX

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state against the party assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state, county, and transit authority retail sales tax" or, if appropriate, "special judgments for resort area excise tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment except as otherwise provided in this chapter.

Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

(D) All money collected by the tax commissioner under this section shall be paid to the treasurer of state, and when paid shall be considered as revenue arising from the taxes imposed by or pursuant to sections 5739.01 to 5739.31 of the Revised Code.
