Version: As Introduced

Primary Sponsor: Rep. Swearingen

Local Impact Statement Procedure Required: No

Jared Cape, LSC Fellow

The Ohio Department of Transportation (ODOT) will incur about \$850 in costs for producing memorial signs for this memorial highway and the city of Bellevue will incur minimal costs for installing signage within its boundaries. Specifically, the bill designates the portion of State Route 113 within Erie County and Huron County as the Patrolman Leroy S. Bedell Memorial Highway.

If a memorial marker is to be located inside of a municipality, ODOT produces the signs and may request reimbursement from the municipality for the cost. ODOT, however, does not currently seek this reimbursement. The signs are installed by municipal workers, though, resulting in minimal costs for the municipality where the memorial marker is to be located. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
