Version: As Reported by House Transportation and Public Safety

Primary Sponsor: Rep. Powell

Local Impact Statement Procedure Required: No

Terry Steele, Senior Budget Analyst

The Ohio Department of Transportation (ODOT) will incur about \$350 to \$400 in costs for producing and installing signs for this memorial highway. Specifically, the bill designates the north and southbound lanes of I-75 between the intersection of I-75 with State Route 41 and the intersection of I-75 with U.S. Route 36 within Miami County as the Ohio State Highway Patrol MCEI Kimra Skelton Memorial Highway.

If a memorial marker is to be located on an interstate route, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
