Version: As Introduced

Primary Sponsor: Sen. Romanchuk

Local Impact Statement Procedure Required: No

Tom Wert, Senior Budget Analyst

The Ohio Department of Transportation (ODOT) will incur approximately \$500 in costs for producing a set of memorial signs for this memorial highway, and may incur additional costs depending on the number of sign sets installed along the route. Specifically, the bill designates a portion of State Route 13 between the northern border of Bellville and the southern border of Mansfield in Richland County as the PFC Steven D. Smith Memorial Highway.

If a memorial marker is to be located on a road outside of municipal boundaries, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
