Version: As Introduced

Primary Sponsors: Reps. Bird and Pavliga

Local Impact Statement Procedure Required: No

Jason Glover, Budget Analyst

School districts and other public schools that choose to modify their existing College Credit Plus (CCP) policies for awarding grades and calculating class standing may incur minimal administrative costs to do so. Under current law, a school's CCP policy for awarding grades and the calculation of class standing must be equivalent to the school's policy for courses taken under advanced standing programs or honors courses. The bill makes it permissive for schools to adopt equivalent policies.
