Synopsis of Senate Committee Amendments

(This synopsis does not address amendments that may have been adopted on the Senate Floor.)

H.B. 37 of the 134th General Assembly

Senate Health

Audra Tidball, Attorney

Insurance coverage of emergency prescription refills

Clarifies, consistent with an amendment adopted in the House, that a health plan issuer that covers a prescription drug under a health benefit plan must provide coverage for that drug if it is dispensed pursuant to the bill's emergency refill dispensing provisions (a pharmacist may dispense not more than three times in a 12-month period under the bill as passed by both the House and Senate).

Renumbers a new enactment to account for recent legislative enactments and removes definitions that are duplicative due to those enactments.
