Detailed Fiscal Analysis

The bill designates the Lt. Col. Albert L. Allen, Jr. Memorial Highway on Interstate Route 71 in Richland County. The memorial will commence on I-71 at the southwest boundary of Ashland County and proceeding until the interchange of I-71 and State Route 39. When a highway is designated as a memorial, the Ohio Department of Transportation (ODOT) typically installs a memorial marker in a rest area, scenic overlook, or other appropriate location. If this is not practical, a marker is installed along the highway instead. Two markers are usually installed, one in each direction at each location. According to ODOT, the cost of installing signs for memorial highways and bridges is approximately \$350 to \$400 per sign, including materials and labor. Once a set of signs is installed, typically there are no maintenance costs unless the signs are knocked down or damaged. Signs are usually in need of replacement every 12 to 15 years.
