Gavin Enseleit, Budget Analyst

| Highway Designation                            |                            |           |                                     |
|------------------------------------------------|----------------------------|-----------|-------------------------------------|
| Designation                                    | Roadway                    | County    | Entity Responsible for Installation |
| MSGT Norman Michael Kilbarger Memorial Highway | Chillicothe Lancaster Road | Fairfield | ODOT                                |

The table above summarizes details about the highway designated by the bill, including the location and the entity responsible for installing the signs. The cost of producing and installing signs is approximately \$1,400. Signs usually need to be replaced every 12 to 15 years.

The Ohio Department of Transportation (ODOT) will produce and install the signs for the highway designated by this bill.
