Detailed Analysis

The bill creates the “Dr. Martin Luther King, Jr.” license plate, which is available to all Ohio motorists, and requires a person to pay a \$10 fee to the Bureau of Motor Vehicles (BMV) plus a voluntary contribution (if any) when the plate is issued and renewed. The voluntary portion of the fee will be distributed to the Martin Luther King Breakfast Committee, Inc. and the King Arts Complex. The table below shows the distribution of that amount.

“Dr. Martin Luther King, Jr.” License Plate			
BMV Fee	Voluntary Contribution	Contribution Recipient	Statutory Use of Contribution
\$10	An amount determined by the applicant*	<ul style="list-style-type: none"> ▪ 50% to the Martin Luther King Breakfast Committee, Inc. ▪ 50% to the King Arts Complex 	Furthering the missions of the organizations

*The bill prohibits the Registrar of Motor Vehicles from rejecting an application for the license plate if the applicant does not provide a contribution.

Specialty license plates are produced by the BMV via a digital print-on-demand process at a cost of \$6.35 for a single license plate, or \$7.70 for a pair.¹ These costs will be offset by the collection of the \$10 BMV administrative fee which is paid at the initial issuance of the license plate and for each subsequent renewal and credited to the Public Safety – Highway Purposes Fund (Fund 5TMO), which is used in part to pay the BMV’s expenses related to titling motor vehicles, licensing drivers, and registering motor vehicles.

The “Dr. Martin Luther King, Jr.” license plate is subject to existing law’s implementation procedure, meaning that the Registrar of Motor Vehicles does not have to issue the license plate until written statements from at least 150 people indicating their intent to apply for and obtain the license plate have been received.²

Assuming the minimum number of applicants meets the threshold of 150 requests for the “Dr. Martin Luther King, Jr.” license plate, the BMV will incur production costs of at least \$952.50 (150 persons x \$6.35), which will be offset by the collection of at least \$1,500 (150 persons x \$10) in BMV fees. The amount generated for the Martin Luther King Breakfast Committee, Inc. and the King Arts Complex will depend on the amount contributed by each applicant. In subsequent years, those amounts will vary and depend on the number of such plates that are issued or renewed.
