S.B. 102

131st General Assembly
(As Introduced)

Sens. Tavares, Yuko, Seitz, Williams

BILL SUMMARY

- Provides in the township law, that township trustees may, by resolution, authorize township officers and employees to contract with financial institutions and make direct deposits under current law in the general provisions already providing this authority to townships.

CONTENT AND OPERATION

Reiteration of existing township direct deposit authority

Township officers and employees, as "public officials" for purposes of R.C. 9.37, have current authority to contract with financial institutions and make direct deposits by electronic transfer. The bill reiterates this authority in the township law and cross references the general law provision, R.C. 9.37, in the township Chapter.¹ R.C. 9.37 is not amended by the bill.
