

OHIO LEGISLATIVE SERVICE COMMISSION

Synopsis of Senate Committee Amendments*

Amanda Ferguson

Sub. H.B. 388

131st General Assembly
(S. Insurance)

Requires a court to impose a driver's license suspension on a first-time OVI offender for a definite period of one to three years, rather than a definite period of one to five years as in the House-passed version of the bill.

Requires a salvage motor vehicle auction that is seeking a salvage title to a motor vehicle to provide proof that it sent a notice to the vehicle's owner and any known lienholder and that the notice was delivered by a nationally recognized courier service, rather than requiring proof via submission of the original certified mail, return receipt notice, as under current law.
