Fiscal Note & Local Impact Statement

Bill: H.B. 370 of the 132nd G.A.

Status: As Introduced

Sponsor: Rep. Perales

Local Impact Statement Procedure Required: No

Subject: Adds a depiction of the Wright Flyer to the state seal and coat of arms

Detailed Fiscal Analysis

The bill adds a depiction of the Wright Flyer to the state seal and coat of arms. The bill contains a provision that indicates that supplies and materials bearing the state seal as it existed before the effective date of the bill shall be exhausted before new supplies and materials bearing the new state seal are purchased and produced. The bill further specifies that all other state property bearing the state seal as it existed before the effective date of this act shall be replaced in the ordinary course of business and shall not be replaced solely because the state seal has been changed. Because of these provisions, the bill has no fiscal impact on the state and political subdivisions.
