Bill: S.B. 71 of the 132nd G.A.

Status: As Reported by House State and Local Government

Sponsor: Sen. Manning

Local Impact Statement Procedure Required: No

Subject: Board of alcohol, drug addiction, and mental health services contracts valued at \$25,000 or less and temporary cash transfers to the Targeting Addiction Assistance Fund

The bill permits county alcohol, drug addiction, and mental health services (ADAMHS) boards to adopt a rule, operating procedure, standard, or bylaw that permits the executive director to execute contracts valued at \$25,000 or less without prior board approval. The adopted authorization must define the scope of contracts. Additionally, the contract must be disclosed at the first board meeting following its execution.

The bill also allows the Director of Budget and Management to make temporary cash transfers from the General Revenue Fund to the Targeting Addiction Assistance Fund (Fund 5TZ0) during FY 2018 and FY 2019. These transfers may be made as necessary to ensure the implementation of programs supported by Fund 5TZ0. Before the end of FY 2019, the Director is required to transfer the lesser of the available balance in Fund 5TZ0 or cash equal to the amount previously transferred to Fund 5TZ0 back to the General Revenue Fund.
