

OHIO LEGISLATIVE SERVICE COMMISSION

Synopsis of House Committee Amendments*

Margaret E. Marcy

Sub. S.B. 77

132nd General Assembly
(H. Transportation and Public Safety)

Makes the following modifications to two existing nonstandard license plates:

(1) Removes "commercial motor vehicles" as a class of vehicle eligible to display "Westerville Parks Foundation" license plates.

(2) Requires the contributions collected from "Juvenile Diabetes Research Foundation" license plates to be disbursed to the Central Ohio Chapter of the Foundation, rather than to each individual chapter throughout the state as in current law, and then requires the Central Ohio Chapter to distribute the contributions to the chapter of the Juvenile Diabetes Research Foundation in whose geographic territory the person who paid the contribution resides.

Makes a technical change to the KylerStrong license plate created by the bill by requiring the Bureau of Motor Vehicles administrative fee to be deposited in the Public Safety – Highway Purposes Fund rather than the State Bureau of Motor Vehicles Fund, which was eliminated by Sub. H.B. 26 of the 132nd General Assembly.
