

OHIO LEGISLATIVE SERVICE COMMISSION

Nicholas J. Blaine

Fiscal Note & Local Impact Statement

Bill: H.B. 172 of the 132nd G.A.

Status: As Re-referred to House Health

Sponsor: Rep. Schuring

Local Impact Statement Procedure Required: No

Subject: Laws governing access to patient medical records

Detailed Fiscal Analysis

The bill revises the definition of a "medical record." Continuing law already establishes procedures for allowing a patient or authorized representative to examine medical records or obtain copies. Changing the definition will pose no cost to the state or political subdivisions, including public hospitals.
