Fiscal Note & Local Impact Statement

Bill: H.B. 90 of the 132nd G.A.

Status: As Introduced

Sponsor: Reps. Antonio and Patton

Local Impact Statement Procedure Required: No

Subject: Designates the Officer David Fahey Memorial Highway

The Ohio Department of Transportation (ODOT) will incur about \$350 to \$400 in costs for producing and installing a set of memorial signs for this memorial highway. Specifically, the bill designates a stretch of Interstate 90 in Cuyahoga County as the Officer David Fahey Memorial Highway. If the designated roadway is located on an interstate route, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
