Fiscal Note & Local Impact Statement

Bill: H.B. 623 of the 132nd G.A.

Status: As Reported by House Transportation and Public Safety

Sponsor: Reps. Gonzales and Carfagna **Local Impact Statement Procedure Required:** No

Subject: Designates the Officers Anthony Morelli and Eric Joering Memorial Highway

The Ohio Department of Transportation (ODOT) will incur about \$350 to \$400 in costs for producing and installing a set of memorial signs for this memorial highway. Specifically, the bill designates the stretch of I-270 between the State Route 3 interchange and Cleveland Avenue in Franklin County as the Officers Anthony Morelli and Eric Joering Memorial Highway. If a memorial highway is located on an interstate route, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
